## Prelude:

## \* Call to Worship:

Sisters and Brothers, God our God is full of power!  
**Like someone stranded in the desert looking for water, we will seek the Lord.**

God's love is better than life and worthy of our praise.  
**We will praise the Lord as long as we live, lifting our hands to heaven.**

God is our help and upholds us like an eagle gathering her own.

**We will bless the Lord and sing praises to His name as we worship Him now in this space.**

## \* Opening Prayer:

**I thirst for you from a dry and desolate place in my soul. I long for you, shunned by family and friends, and troubled by the worries of this world. It is the shelter of your loving kindness that I seek.**

**I look to you for strength in times of weakness. You are my shelter from every storm. You dry my tears, calm my fears, and restore clarity to my being. I search for you.**

**In the midnight hour, you are my Comforter. In the early morning, you give new mercies. I search for you.**
