**Call to Worship:

Sisters and Brothers, God our God is full of power!

Like someone stranded in the desert looking for water, we will seek the Lord.

God's love is better than life and worthy of our praise.

We will praise the Lord as long as we live, lifting our hands to heaven.

God is our help and upholds us like an eagle gathering her own.

We will bless the Lord and sing praises to His name as we worship Him now in this space.

*Opening Prayer:

I thirst for you from a dry and desolate place in my soul. I long for you, shunned by family and friends, and troubled by the worries of this world. It is the shelter of your loving kindness that I seek.

I look to you for strength in times of weakness. You are my shelter from every storm. You dry my tears, calm my fears, and restore clarity to my being. I search for you.

In the midnight hour, you are my Comforter. In the early morning, you give new mercies. I search for you.

Preparing for Prayer / Sharing of God experiences:

Let's start focusing on how good God is – I am looking for you to share these moments. Let me know if you are willing to share in worship.
